## SCHOOL DISTRICT OF SANBORNTON

---

### REPORT OF SUPERINTENDENT OF SCHOOLS

---

#### To the School Board of Sanbornton:

I herewith submit, without any comment or discussion, data for future reference if needed. This will require very little printing space.

Last year, five schools were supported; at the present time, four. The number of pupils enrolled in the schools in September, 1932, was 124; in September, 1931, was 127.

The number attending junior high and high school in 1931, was 29 and is the same this year.

The per pupil cost of the Elementary Schools in Sanbornton for the year ending June 30, 1932, was \$77.15. The median per pupil cost for the whole state was \$82.11. This means, the per pupil cost in Sanbornton is about five dollars less than the median cost of the state.

The four teachers are all Normal School graduates and all now residents of Sanbornton. I consider that all the schools are doing helpful work that will function in the life of the child now and later.

F. S. LIBBEY, Superintendent.  
Sanbornton, Jan. 23, 1933.
